

Activity „Unternehmen“ for WoidKirtag

At the WoidKirtag, everyone makes the programme for everyone!

Short version:

- Preparation (phase 1-3: creative phase, decision phase, planning phase) BEFORE the camp, phase 4+5 (implementation phase, celebration phase) will be realised at the WoidKirtag.
- The implementation phase should include an hour programme for other camp participants (GuSp to RaRo).
- Please bring special material for the company to the camp.
- Please submit your company description online by 30 June.

What does "Unternehmen" (Project) mean?

“Unternehmen” is the CaEx method, in which a group of young people develop a programme for themselves and/or others with the support of the leaders. And this is exactly what we want to realise with you at WoidLa24:

The WoidKirtag will be organised by you!

What do we need to consider when preparing the "Unternehmen"?

Please prepare the first three phases (creative phase, decision phase and planning phase) in your home lessons. For this purpose we have a task for your CaEx. As the leader, you should support them as usual with methods & advice and as a motivator. The realisation should take place during the WoidKirtag on Sunday (WoidFest), for the final phase including the party there is time in the later in the afternoon of the WoidFest.

When planning, please note that you should offer your activity for 60 minutes. However, the implementation for the participants should only take 5-15 minutes so that everyone can try out many things. Individual can try out many things.

Task / input for CaEx:

Kirtag in the dark forest! For one day, you create a programme for yourselves and everyone else others - in front of the unsuspecting DusterWoid visitors. Your activities are inspiring, because some are creative and crafty, some are challenging and exhausting, some fun and loud, some wet, some delicious, some quiet, some clever

clever - there's something for everyone! Plan an activity that you would like to offer for one hour at the camp for GuSp to RaRo at the camp!

Topic / motto of your choice:

- Sun: Reach for the light
- Water: Source of life
- Spirit: Feel your spirit
- Consumption: There's a beast in everyone

Please enter the completed company description by **June 30th** in the "Unternehmen" form (Link: <https://forms.gle/iLxskbiyNDHXwbyNA>)!

Please procure and finance any materials for the company yourself and bring along. If you have any special requirements for the location of the company (e.g. playing field 10x100m) or need material that should be available on site (e.g. poles or firewood), please also indicate this in the company form under "Other".
in the company form.

How does the Kirtag at the camp work?

Our big WoidFest takes place on Sunday, 11 August. The WoidKirtag is part of it - from 10:00 to 11:00 and 14:00 to 15:00 you are in demand with your stations! That means you offer your own programme for one hour and can take part in the other groups' offers for two hours

At the time of "organising", you will set up in front of the camp site (on the camp road or the nearest larger area) and set up a stand with a sign and run it for approx. 1 hour.

Later in the afternoon, it's time for your closing phase: The perfect atmosphere for a atmosphere for a festive finale from 4 pm at the Open Stage, but alternatively you can also
Alternatively, you can also celebrate your successful "Unternehmen" within your group at your camp site.
