Carpooling Exchange

Carpooling is also a great option!

In the VASO application you will find the ride sharing exchange under Ride. Here you can enter rides that you drive yourself or would like to ride with.

Parking spot

If you still arrive by car, we ask you to park in the designated Woidarbeiter parking spaces. You can also park a motorhome, camper or caravan at the Woidarbeiter parking lot. Please note, however, that there is no electricity or water and no possibility of emptying camping toilets.

CAMP RULES

We value responsible interaction among ourselves. For this reason, we have formulated **camp rules, which you can find in the appendix, in the download section of the website**, and in the ["VASO" application](#) under the Documents section in the Common category. Please read them carefully before arriving at the camp to avoid any unexpected surprises on site.

HEALTH & SAFETY (H&S)

CODE OF CONDUCT / SAFE FROM HARM

We Scouts treat children and young people with absolute respect. It's important to us that they find their place in our community. We are always open to their concerns.

In line with our values and principles, we advocate for the protection and rights of all children and young people, regardless of their background, age, sexual orientation, physical abilities, spiritual or religious orientation, as well as their political and ideological beliefs. Protecting children and young people from all forms of violence, promoting their mental and physical health, and strengthening their rights are central to our work.

At WoidLa24 all participants are expected to adhere to the [Code of Conduct](#) established by the PPÖ for all children, young people, and adults.

NO DRONES ALLOWED

Flying drones on and above the campsite is prohibited, regardless of the drone's weight. The PR department is exempted for capturing aerial footage.

CATERING FOR WOIDTEAM-MEMBERS

We look forward to pampering you with culinary delights in the WoidKuchl. We don't want to prepare too little food, but we also don't want to throw away too much food. These are all resources that we can avoid through careful planning.

WOIDFEST / VISITING GUESTS

On Sunday, August 11th 2024, the public WoidFest will take place at the camp from 10:00 to 17:00.

At WoidFest, we want to show everyone how diverse and exciting our camp life is. Our neighbors in the town of Rastendorf, as well as relatives and friends of the children and young people, are all warmly welcome. We look forward to their visit.

The day is intentionally without major program highlights because we want to offer our guests the experience of a nature-connected atmosphere without artificial entertainment. There will still be plenty to see: walk through the camp, marvel at the camp structures, observe the scouting program designed by children/young people for children/young people, sit in one of the gastronomic establishments, chat, enjoy time without looking at your smartphone, and spend time in the Waldviertel nature, get inspired by the scout spirit.

Entrance to WoidFest is free, but we would appreciate a donation to support WoidLa24. As a thank you, we have prepared souvenir buttons. The check-in for day guests will take place on-site, and no pre-registration is necessary. Do you want to stay overnight or longer as a guest? Then please register in advance here: [WoidLa Guest Registration](#).

Since the campsite is not directly accessible by public transport, marked parking spaces for guests will be available. Form carpooling if possible. Please wear sturdy shoes and note that there is a walking distance of about 10-20 minutes between the parking lot and the campsite.

We are assessing the need for a shuttle service for public arrival from Göpfritz station and are working on a solution if there is sufficient demand. If you need assistance covering the distance between the parking lot and the campsite due
